

Gift Aid Declaration

If you are a UK taxpayer we may be able to reclaim 25p for every £1 you donate. To qualify, what you pay in income tax, the tax on any pension, or capital gains tax, must at least equal the amount claimed in the tax year. This declaration must be in one name only. You can cancel it at any time by contacting us.

- I am a UK taxpayer and want Rahab to treat all qualifying donations I have made in the last four years from the date below, and all donations I will make in the future, as Gift Aid donations.
- If I pay less income tax and or capital gains tax in the current tax year than the amount of Gift Aid claimed on all my donations I understand it is my responsibility to pay any difference.
- I understand that any tax refund received by Rahab will be made at the basic rate. If I pay income tax at the higher or additional rate, and want to receive the additional tax relief due to me, I will include all my Gift Aid donations on my Self Assessment tax return or ask HM Revenue and Customs to adjust my tax code.
- If my circumstances change and I no longer pay tax on my income and capital gains equal to the tax that Rahab reclaims from my donations, I must notify Rahab and cancel this declaration.
- If I change my name or address I will notify Rahab.
