GIFT AID DECLARATION

I am a UK taxpayer and want Rahab to treat all qualifying donations I have made in the last four years from today's date, and all donations I will make in the future, as Gift Aid donations.

If I pay less income tax and or capital gains tax in the current tax year than the amount of Gift Aid claimed on all my donations I understand it is my responsibility to pay any difference.

I understand that any tax refund received by Rahab will be made at the basic rate. If I pay income tax at the higher or additional rate, and want to receive the additional tax relief due to me, I will include all my Gift Aid donations on my Self Assessment tax return or ask HM Revenue and Customs to adjust my tax code.

If my circumstances change and I no longer pay tax on my income and capital gains equal to the tax that Rahab reclaims from my donations, I must notify Rahab and cancel this declaration.

If I change my name or address I will notify Rahab.
